** The page 582-583 image (DSCN1598.tif) is followed by six (6) dual page images that cannot be identified because ALL page margin areas along with text is cut off due to camera framing. On the following seventh image (DSCN1605) only the left hand page can be identified and is noted as page 116, which does not seem to belong to or correspond to book 2 page numbering.
